Compare the whole picture.

Ask each provider the same questions. Request written details so you can compare the answers.

What is included in the price?

Base rate, additional support, one-time charges, rate changes, and cancellation terms.

What can the service provide?

Scope, hours, staffing, availability, and what happens when needs change.

Who pays, and what must be confirmed?

Ask the provider, insurer, or official benefits office. Do not assume a program covers the service.
